

Deborah Gentry was raised in Southern California by her parents, father, a teacher, and mother, who served on the ABCPSW staff for more than 25 years. She followed in her Mom's footsteps and began her ministry with ABCPSW in 1980. She joined the staff of ABCOFLASH in 2006. Serving as the Regional Coordinator, she works with several committees and the Board of Directors, plans many events, including annual meetings and training sessions, and enjoys working with the ABC missionaries as they travel within the region.

She is a parent of two adult children, Grams to two grandchildren, two "grand puppies," and if you know or follow Debbie on Facebook, you will know her best buddy, Bailey (her dog).
