

Interim Pastor Position
Lake View Terrace American Baptist Church
Sylmar, California

There is an opportunity opening soon at Lake View Terrace for an interim pastor position, preaching at least three times per month and Bible study (currently via Zoom) from 7-8 on Wednesdays. The candidate will also be expected to help with funerals, but others will do the bulk of the visitation. The church is open to the Lord's leading and is currently in a discernment process as the current pastor winds down his 20+ years of service there.
